To Whom it may Concern,  
Re: Docket nos: ~~98N-1230~~ ~~98P-224181~~ ~~98P-0197~~

I am writing to object to the forced molting that millions of hens must endure in order to lay one more batch of eggs.

I urge you to do what you can to put a stop to this cruel practice - if not for the suffering hens, for the safety of humans consuming them. (Hens who must endure forced molting are more susceptible to disease.)

Thank you for your time.
